1.9. in hand round = ripe to fly in hand.

Lastrychium obliquum Mutel. Occasional — Woodmere, frequent; Pinehurst above Boreas. Always in low damp ground

do. dissectum Sprang. Occasional, — Pinehurst in damp thickets — Occasional

do. ? intermedium Mett. Only in the valley — Pinehurst Jamaica —

Osmunda spectabilis Willd. Rare — Woodmere

Osmunda claytoniana L. Jamaica, Woodmere; Budworth; frequent only east of coastal plain Carolinian Jamaica —

do. cinnamomea L. Pinehurst, Woodmere, Budworth, frequent

Woodsia obtusa (Spreng.) Torr. Abundant

" do latiuscula (Pow.) Woodmere, Budworth, Jamaica, frequent only on limestone plain

Rondeletia [illegible] C. in swampy woods [illegible]

R. arcuata C. in low woods. Standing well [illegible]

[illegible] Am. [illegible] Valley-Formation [illegible]

[illegible] Jamaica. [illegible]

Quashy Valley, Aug. 03

[illegible] C. Cypress Hills. [illegible]

Polypteris [illegible]

[illegible]

Dryopteris cristata A. Gray. Common about Woodmere
Station in low wet woods. Hempstead, Pondside, Not found
off the coastal plain. Woodmere Hempstead.

W. Bottard

Dryopteris cristata (L.) A. Gray. Common in wet woods. Pondside - Woodmere
Lawrence - Valley Rd. near station, Woodsburn, Jamaica - Valley Rd.

Dryopteris marginalis (L.) A. Gray. Open hills in woods. Woodmere
Pondside - Lawrence

Dryopteris Goldiana (Hook.) A. Gray

Dryopteris spinulosa (Retz.) Kuntze. Rare or local in damp
woods; rare. Woodmere Pondside. Common. Valley Rd.
Lawrence Valley Rd. Woodsburn Pondside, Jamaica.

Dryopteris intermedia (Muhl.) A. Gray. Common

Lygodium Scottii Link, Hudson. Forcedale in low woods
with L. flexuosa Sw. rarissima 1000 ft. 1-2pm 4th slide

Asplenium serratum, Richmond Hill C. Jamaica
infrequent, Upper Hills.

Polystichum [illegible] Swartz, Richmond Hill, frequent
Hepaticum: Jamaica N. Not on coastal Plain

Pteris [illegible] Swartz frequent on rocks C
Richmond, Forcedale Mocho, Hepaticum
Lowes, Richmond Hill, Jamaica, Forcedale Jam.

Oplodea sensibilis C

[illegible] Jamaica
rich woodland infrequent

Equisetum arvense L

Equisetum hyemale, Evelyn, growing amidst reflagrige [illegible]
a mile beyond Bear Lake Cupsuptic Lake -

Ad Flumina Sectum

hippopotamus amphibius. Woodmere - Cedar Swamp
Cumberland - Lambert - Cobbs Creek, & Schuylkill

Ad Lacus Sinum Hudson Sinit.

one station, a few plants

Dryopteris Goldiana, Rare: Woodmere; Cascade;
Sandy stream, fruiting freely and common at one station; S.W. of Hempstead
by Pines Stream.

occasional & other localities.

D. Cristata: Woodmere E. on Cedarhurst, Lawrence
S.E. of Hempstead Pond. Not found in fruit. Rare locality.
S.E. of Hempstead by Pines Stream

Selaginella apus. Not found near Hempstead.
Woodmere; Rockaway. Aqueduct.

Isoetes

Lycopodium Carolinianum (Porter), Woodmere, Cedarhurst, Lawrence
woods.

Pinus Strobus,

A grove of tall trees N.W. of Sharp Mountain. Also one or more trees near Lawrence Street. Nellis Park
N. Nebraska Ave.

do. Cyclopteri. Two or three trees in with cluster of Cypress Hills trees

do. Rigida, C or frequent.

Thuja occidentalis [illegible] Cypress Hills

Scattered growth of good sized trees mostly dead or dying - probably introduced many years ago.

Chamaecyparis thyoides Two good specimens [illegible] south side of Hempstead pond. North of pumping station [illegible] Hempstead - the remnants of a small cedar swamp [illegible] the whole the trees mostly dead. Recent - on the White Cedar Swamp -

Juniperus Virginiana - C, or rather common near the sea, on the bluffs - plain and in the hilly country.

Typha latifolia frequent - fine cattail type: but also
Cook Bay Long Beach near T. angustifolia - a tall
slender form - in wet place among the sand dunes

T. angustifolia, Olympic, mostly in brackish or saltmarsh
[illegible]

Sparganium Americanum [illegible] Beaches [illegible]
[illegible]; Cook; Calypso; Jamm[illegible]
[illegible]

S. obscurum [illegible] frequent; Cypress Cove; N. of
Jamaica - apparently not on coastal flats.

S. angustifolium Head of Cook, Sitka, Lower Bay &
inlet, more common.

Potamogeton Oakesianus. Pond by R.R. bridge, Hempstead Reservoir; Hempstead pond. N. of Jamaica. Lower Brooklyn.

P. pectinatus, Hempstead Station pond & ruyfield; Stream bet. Hewletts & Valley Stream.

P. pectinatus Jamaica Reservoir

P. pusillus Ruyfield Station pond Rockdale: Hempstead pond; Jamaica Reservoir; Pond opposite Pond Hospital Pond.

P. foliosus Marsh Pond Hempstead. N. of Jamaica

Kingston Harbour Jamaica Reservoir and
